The MPOB International Palm Oil Congress and Exhibition (PIPOC) is a biennial event organised by the Malaysian Palm Oil Board (MPOB).

It will once again be held at the Kuala Lumpur Convention Centre (KLCC) from 14-16 November 2017.

The theme for PIPOC 2017, 'Treasuring the Past, Charting the Future', is timely with the commemoration of 100 years of commercial planting of oil palm in Malaysia.

The Congress will provide participants with a platform to explore opportunities for further advancements in the technologies related to the palm oil industry.

Come and visit Swift Solutions MSC booth in **Hall 5 of KLCC, booth 010**.
