Bio-identical Hormone Replacement Therapy (BHRT) has been around for more than 30 years but it has only been in the past 6 years that it has gained prominence thanks to celebrities like Oprah Winfrey and Suzanne Somers who have brought BHRT to the public's attention. Dr Neal Rouzier, author of the best-seller "How to Achieve Healthy Ageing", in his interview with Cosmetic, Surgery & Beauty magazine answers questions on menopause and its effects on women, the benefits of HRT for both men and women, and emphasises the difference between synthetic HRT and BHRT.
